I would like to request a Stay at Home Learning option for my child(ren) for the third quarter of 2020-2021.

I understand that my child will likely be working a day behind the class. They will have opportunities during the week to interact with the class. I may be asked to bring my child to the school outside of the school day for assessment. When my child is 'in class' they are expected to wear their uniform and follow the classroom rules. Anytime they appear on camera (Zoom, Hangouts, Meets, Flipgrid, etc), they will be appropriate in words, actions and attire.

My signature indicates that I understand I am asking for this option for third quarter (January 25-March 25, 2021). A new request form will be sent to parents on or about March 19th.
