Luke Teague - Assistant Football

Brian Rossow - Assistant Cross Country

Sean Kane - Co-Head Coach Boys Soccer

Laura Vanelli - Head Girls Hockey

Jeff True - Head Boys Hockey

Brett Blattner - C-Squad Boys Basketball

Registration

Affinety Solutions will once again be used for registration. Register [here](#)

Activities Handbook will need to be read and electronically signed by parent and student at time of registration.

Sports Physicals

- New students and incoming 7th graders are required to have a sports physical on file in the Activities Office prior to being able to register. This can be dropped off or emailed to activities@rcsmn.org.
- The MSHSL had granted a 1-year waiver to those students whose physical expires during the 2020/2021 school year. We highly recommend keeping your physical up-to-date.

COVID-19

Everyone has been affected by COVID-19. We are doing all we can, and will continue, to keep the health and safety of our student-athletes as highest priority.

We ask all families to do their part in keeping everyone safe; frequent handwashing, staying home when ill, social distancing and wearing masks.

Reporting process - If we have a case/outbreak, we have a reporting process in place.

We have COVID-19 related documents, including our PPE Plan and Expectations, posted on our webpage. Visit [Activities Resources](#) for this information.

Transportation

Transportation will look different this year.

At the current time, buses can accommodate 33 passengers.

Student-athletes will have assigned seats. Those assigned with seats in the back will load first. Unloading will be front to back.

Masks **MUST** be worn on the bus at all times.

No food or drink is allowed to be consumed while on the bus.

Sports Passes

Due to the location of our soccer games, admission fee will not be charged at home regular season games. Please watch for updates from the Activities Office to see where this stands going into Winter Sports.

The Eagle Booster Club

Due to COVID we cancelled the Eagle Open Golf Tournament, the September Hall of Fame event as well as the Dueling Pianos event (formerly a Football event), which are three of our largest fundraisers for the Athletic Department.

Please consider joining the Eagle Booster Club to support our athletes.

Please direct any questions to activities@rcsmn.org.

We will communicate all updates as soon as we know them.

Follow us on Facebook (RCS Lourdes Eagles) and Twitter (@LHSEagles) as we post regular updates on social media.

Thank you for your support.

Our Lady of Lourdes, pray for us
